

Erin, our marketing manager, and Mindy, attending the Gala Gras for the M&M Children's Museum in March.

Message From Our CEO

Spring is the season where I get to run outside again, which makes it one of my favorite. It's also a season of growth, and I'm seeing that in our community. Students are asking questions at our Reality Fairs, our members are getting new cars and homes, and nonprofits, like the M&M Children's Museum are taking bold leaps forward to improve our community. We're proud to be part of those moments at Integra First. Thank you for trusting us through the journey. - Mindy

Rooted in Community

Graduate. Get a job. Live your life. It's that simple. Or is it?

Our Financial Reality Fairs are a way for high school students to "try out" a career, salary, and a credit score before the real world begins.

We enjoyed our time at Stephenson, North Central, and Carney public schools. Thank you for having us!

Funding for our Reality Fairs is provided by the Michigan Credit Union Foundation.
