New products for you!

We've been working at a fast pace to get more services to you. We now have **Debt Protection** and **Mechanical Breakdown Protection**.

Both of these services will help you if something goes wrong. Debt protection will cover you if you're sick, injured, or unable to work - and it's not tied to your employment.

Mechanical Breakdown Protection (MBP) covers the cost of labor and repairs for new or used vehicles. MBP also offers a \$0 deductible and a total loss refund.

Nobody knows when life is going to happen - contact us at (833) 694-6834 to get this set up today.

Ghost your old credit card.

We've got double points on our Visa credit card, now through December 31. Every \$1 = 2 points.

It's a great time to swap your high-interest rate credit card for rates as low as 6.90% APR*.

*The APR is the credit union's current rate as of Oct. 1, 2025. No annual fee. The rate is variable and may change. Qualification is based on an assessment of individual creditworthiness and our underwriting standards. All Credit Union loan programs, rates, terms and conditions are subject to change at any time without notice. Not all applicants will qualify. Call us at (833) 694-6834 for current rates, terms and conditions.
