

Our board of directors and executive team posed for a group picture at The Pink Pony at Mackinac Island during our Strategic Planning in September.

Message From Our CEO

What a week with an incredible team on Mackinac Island, stepping away to think strategically about the future of Integra First, strengthen our leadership, and make time for some team building.

We focused on where we're headed and the hard work it will take to get there. We discussed making decisions based on what's good for all membership and aligning our strategic plan with our mission: "Enhancing lives... one member at a time." - Mindy

Have you seen us?

If you've been to any youth-focused events this summer, you've surely seen the Integra First booth. We usually have rubber ducks, a giveaway or two, and a smile on our faces!

We are proud of the hours we put back into the community. Our team achieved 175 combined volunteer hours as of September 2026 to help our communities thrive.

Please feel free to stop and say hi whenever you see us! We'll have some goodies to share.

Because of your generosity during our Weiner Wednesday raffles, we were able to donate \$4,300 to the Suicide Prevention Network.

We're growing.
