Menominee Office Building Update:

Check out a few recent pictures of the progress on our new Menominee office! The expected completion date is late Spring of 2024. During this construction phase, our Menominee office is temporarily located at 2354 10th Street, Menominee (Stellar Center strip mall) until we transition into the new building.

Financial Reality Fair

We are happy to have hosted a Financial Reality Fair for Menominee, Carney-Nadeau, Powers, Stephenson schools. Integra First Federal Credit Union received grant funding from the Michigan Credit Union Foundation (MCUF) to help provide students with this exciting opportunity. A Financial Reality Fair allows students to select a hypothetical career with a corresponding income and deductions. Then, students visit different booths to make financial decisions related to housing, transportation, food, and other expenditures while using an app to track their spending and budget. We are so excited to have this opportunity to help local youth learn about the importance of budgeting.
