Piggy Bank Advice From  
Kids Corner  
@ Integra First

Don't waste your money on things you don't need. Save up for the things you do.

Saving your change in a piggy bank or a savings account @ Integra First

Do your chores and help around the house to earn an allowance.

What are some great ways to save your \$ money \$ for the New Year ???

A penny saved is a penny earned.

Plan for the future and not just for today.

Spend your money after you have earned it.

Never be afraid to ask for help

when buying something or trying to save.
