Assisting Our Members in a Time of Need

The Credit Union industry has a long history of assisting their members and communities in times of need. Our members and community have been greatly affected by COVID-19. During this time of uncertainty, we want to remind our members that Integra First strongly believes in the philosophy of “People Helping People.” If you or your family have been impacted by COVID-19, and need financial assistance, we’re here to help. Potential solutions could include the following:

- Increasing Debit/ATM daily cash limits
- Waiving overdraft fees
- Waiving early withdrawal penalty fees on Certificates of Deposit (CD)
- Loan payment extensions
- Increase credit card limits for creditworthy borrowers

Please call one of our offices to discuss a possible solution that is right for you.
