3-Day Loan Special Update

THANK YOU!

MCFCU would like to extend a big *THANK YOU* to our members for making the Pre-Summer Blazing Hot Loan Madness a huge success! Our week long special was held May 20-24, with rates starting at 1.49% APR*.

The response to this special was spectacular! A big thank you to our employees and loan officers for the tremendous job they did all week. Members kept our loan officers very busy, disbursing 303 new loans in the amount of \$2,379,608.22!

*APR = Annual Percentage Rate.

Time to **saveup**

SaveUp is a new online program that rewards you when you save money or pay bills and gives you the chance to win life-changing prizes. It just takes three easy steps:

- Sign Up on SaveUp's secure website at <https://www.saveup.com/mcfcu>.
- Get credits to play.
- Win rewards by playing games online.

Prizes include trips to Paris or Hawaii, cars, various retail gift cards, personal makeovers and even a \$2 million Jackpot!

Checking: Make The Switch

It's quick and easy!

Little fees and sneaky "extras" can really add up. Why not take advantage of our totally free checking account?

You can enjoy hassle-free checking with no monthly service fees, no per check charge, and a free debit card. Compare these benefits to your current account. In many cases, our members end up saving \$100 a year or more. Stop by and we'll help you make the switch!

5 Tips For Safe Mobile Banking

Technology is convenient, but that doesn't mean it comes without its risks. Here are a few things to remember in order to keep your money and your identity safe when using Mobile Banking:

- Password protect your mobile device when it's not in use in order to prevent unauthorized access and to protect yourself in case your phone is lost or stolen.
- Avoid keeping your bank or credit card accounts "auto-logged in." It increases the risk of an unauthorized user accessing your accounts.
- Delete old text messages from your financial institution in order to limit exposure to fraud.
- Don't provide personal or account information via text or e-mail. This includes your social security number, account number, birth date, etc.
- Report lost or stolen devices immediately, both to your wireless provider and to your financial institution.
