

APRIL IS NATIONAL CREDIT UNION YOUTH MONTH “THE FUTURE IS YOURS”

Stop into Integra First Federal Credit Union (IFFCU)
during the month of April to help us celebrate
National Credit Union Youth Month!!

This year's theme is all about encouraging young children to picture themselves in the future to help encourage saving at an early age. To promote saving with young children, we are asking that you stop into any of our three branches to pick up a coloring page that asks children to draw a picture of what they are saving for. Once they bring their picture back to the credit union, they will get either a \$5.00 voucher to start their new Youth Savings Account with IFFCU, or if they already have an account with us, they will receive a special surprise (while supplies last)!!
